

PVC Mesh Banners are durable and weather-resistant materials, ideal for outdoor use. The mesh structure allows air to pass through, reducing wind resistance and extending the banner's lifespan.

**These banners are perfect for large-scale advertising, event promotion, and construction site hoardings.**

## Product Features:

- **Weather-resistant:** Ideal for outdoor use in windy or rainy conditions.
- **Durability:** The mesh material reduces wind resistance, extending the banner's lifespan.
- **Full-color printing:** Vivid colors using UV-resistant inks.

## Useful tips for creating the design:

- Maximum print width: **310 cm**
- Please submit the files to be printed in **high** resolution, in **CMYK** color mode.
- Please note that the grommets may extend 2-3 cm from the side into the graphic, so we do not recommend placing text or important information in that area.
